CIH Transform Town Hall Meeting Questions for CIH Providers

No.	Topic	Items	
1.	Aspects of current Indiana CIH waiver that work well	 What are some things about the current CIH waiver that work well for you as a provider of supports and services? What parts of the system are working to promote teams? What parts of the system are working to support families? What parts of the system are working for front line staff? What parts of the system currently promote client choice? 	
2.	Recommendations for improving the Indiana CIH waiver	 As participants purchase residential supports and services through their CIH waiver, are there suggestions on the structure of the CIH residential supports that would improve client outcomes relative to the: Service definition and related guidance? Coordination with other paid services and/or natural supports? Person-Centered Planning process? Annual budget process and/or service authorization? 	
3.	Residential Support Options – Flexibility	 Are there flexible approaches in the service delivery of residential supports and services that should be added in order to improve client outcomes? Are there areas where clarification on service definitions or service expectations would improve a provider's ability to deliver high quality services? 	
4.	Additional Information	 In order to improve your ability and capacity to deliver residential services and improve outcomes, what information do you think people and their families need when purchasing supports and services through the CIH waiver?
